

# TECH&LEARNING

January 25, 2011

Dear NEISTE Board Member,

Thank you for partnering with us for Tech Forum Boston: Insight and Innovation for Technology Leaders, which will take place Friday, April 8, in Burlington, Massachusetts at the Burlington Marriott.

In appreciation, *Tech & Learning* magazine invites you to be our guest at this high-powered, one-day conference for administrators and technology leaders. Geared toward professionals who typically organize and/or present at other ed tech events, Tech Forum offers great opportunities for networking and "recharging."

To accept our invitation, please register online by Friday, April 1 at <http://www.techlearning.com/events/techforum/boston11/register>. **Enter source code BOS11AD1** to ensure your complimentary registration. Additionally, you can learn more about the program, speakers and past Tech Forum events on this Web site: <http://www.techlearning.com/techforum/>.

We are also recruiting a few additional Tech Forum Boston advisors (who will be acknowledged as such in the conference program) to serve as facilitators during roundtable discussions and to help us spread the word about the event. If, in addition to attending as a guest, you are interested in being an advisor, please email Judy Salpeter, Tech Forum Program Chair, at: [jsalpeter@pacbell.net](mailto:jsalpeter@pacbell.net).

We look forward to meeting you on April 8 and sharing in a productive and enlightening day.

Regards,

The *Tech & Learning* Team
